Dear Sir

On-Market Share Buy-Back Program - Flagship Investments Limited (FSI)

The Board is focused on maximising the returns to Shareholders, which means that from time to time it will be involved in active capital management. As part of this strategy and in order to enhance the value of shares in the Company, the Board introduced in May 2005 and has renewed yearly since then, an On-Market Share Buy-Back Program.

The current program ceases on 8th July 2013.

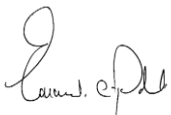

The Board considers that the current strategy to maximise the returns to Shareholders, has been successful and has agreed to re-instate the On-Market Share Buy-Back Program.

The key elements of the program are:

- ◆ The maximum number of shares subject to the buy-back is 10% of the issued shares.
- ◆ The buy-back will occur on-market over a twelve month period, commencing on 15th July 2013 and ceasing on 11th July 2014.
- ◆ The buy-back of shares at a discount to the NTA enhances NTA per share for remaining Shareholders and, over time, should address any imbalance between buyers and sellers of the Company's shares.
- ◆ Credit Suisse Equities (Australia) Limited will act on the Company's behalf in relation to the buy-back.

Full details of the buy-back will be provided prior to the market opening on 15th July 2013, by the lodgment of an Appendix 3C.

Yours sincerely

Dr Emmanuel C Pohl
Managing Director
